Felipe Miranda de Souza Almeida

falmeida2@huskers.unl.edu | Lincoln, NE

Education

University of Nebraska-Lincoln — Lincoln, NE
Ph.D. in Agricultural Economics — *8/2023 - Expected 12/2026*

Pecege Institute at the University of São Paulo — Piracicaba, SP, Brazil
MBA in Data Science and Analytics — *6/2022 - 8/2024*

University of São Paulo — Piracicaba, SP, Brazil
Ph.D. in Applied Economics — *2/2018 - 9/2023*

- Academic year abroad at the University of Nebraska-Lincoln (2021-2022)

Pecege Institute at the University of São Paulo — Piracicaba, SP, Brazil
MBA in Agribusiness — *6/2019 - 8/2021*

Federal University of Viçosa — Viçosa, MG, Brazil
Master of Science in Economics — *08/2015 - 12/2017*

Federal University of Viçosa — Viçosa, MG, Brazil
Bachelor's Degree in Economics — *03/2011 - 7/2015*

- Academic semester abroad at the University of Lleida (Lleida, Spain) (Fall 2014). Scholarship: Bolsa Ibero-Americanas

Work Experience

Researcher — 9/2019 – Present
Center for Advanced Studies on Applied Economics (Cepea) — *Piracicaba, SP, Brazil*
Supervisor: Geraldo Sant'Ana de Camargo Barros and Nicole Rennó de Castro (nicole.castro@usp.br)

- Calculate and monitor GDP and labor-market indicators for the Brazilian agribusiness sector, conducting continuous data collection and analysis and preparing quarterly analytical reports.
- Coordinate the calculation and monitoring of agribusiness GDP and labor-market indicators for the state of São Paulo.
- Contribute to the calculation of the Producer Price Index, providing insights into price trends in the agricultural sector.

Associate Professional — 3/2018 – Present
Pecege Institute at the University of São Paulo — *Piracicaba, SP, Brazil*
Supervisor: Aline Bigaton (alinebigaton@pecege.com)

- Advise MBA students in the Project Management program, supporting the development of their final thesis projects.
- Prepare semiannual technical reports on economic and financial feasibility studies.

Working Papers and Manuscripts in Preparation

[Dissertation Chapter] Almeida, F. M. de S. *How Much Does It Cost to Reduce Emissions in Nebraska? Evidence from Corn and Soybean Production.*

[Dissertation Chapter] Almeida, F. M. de S. *Corn Ethanol for Sustainable Aviation Fuel (SAF) in the United States: Market and Welfare Effects.*

Rocha Junior, A. B., and Almeida, F. M. de S. *More Land, Less Productivity? The Complex Relationship Between Deforestation and Agriculture in Brazil.*

Papers Under Review

Carrara, A. F.; Castro, N. R.; Amaral, D. F.; Almeida, F. M. de S.; Alves, L. R. A. *Biodiesel, Soybean Meal, and Asymmetric Feed Price Responses.*

Almeida, F. M. de S. (2024). Unlocking Agricultural Potential: An Opportunity Cost Analysis in Brazil. Presented at the *2024 AAEA Annual Meeting* (New Orleans, Louisiana, July 28–30, 2024).

Almeida, F. M. de S. (2024). Impact of Agricultural Practices on Brazilian Agriculture Productivity Evolution. Presented at the *2024 AAEA Annual Meeting* (New Orleans, Louisiana, July 28–30, 2024).

Almeida, F. M. de S. (2024). Conservation Practices and Agricultural Productivity: Evidence from Brazil. Presented at the *2024 WAEA Annual Meeting* (San Francisco, California, June 23–25, 2024).

Almeida, F. M. de S. (2024). Balancing Growth and Sustainability: Assessing the Opportunity Cost in Brazilian Agriculture. Presented at the *2024 WAEA Annual Meeting* (San Francisco, California, June 23–25, 2024).

Talks & Webinars

Dennis, E., Almeida, F. M. de S., Perrin, R. (March 2026). **What's the Carbon Footprint of Your Feed? New Evidence on Distillers' Grains and Soybean Meal**. Invited webinar, *Center for Agricultural Profitability*, University of Nebraska–Lincoln.

Dennis, E., Almeida, F. M. de S., Perrin, R. (February 2026). **Estimating What Matters: Carbon Intensity in Corn and Soybean Markets**. Invited webinar, *Center for Agricultural Profitability*, University of Nebraska–Lincoln.

Teaching Experience

Co-Instructor 8/2026 – Present
University of Nebraska-Lincoln *Lincoln, NE*

- Serve as a co-instructor for ENSC 230 – Energy and the Environment: Economics and Policy, teaching selected topics and providing academic support to students. Responsibilities include lecturing, designing problem sets and quizzes, and holding regular office hours.

MBA Thesis Advisor 3/2018 – Present
Pecege Institute at the University of São Paulo *Piracicaba, SP, Brazil*

- Advise students in the MBA in Project Management program, supporting the development of their thesis projects. Student research topics include cost management, risk management, scheduling, and economic feasibility. Have advised more than 200 students, all of whom successfully defended their thesis projects and earned their MBA degrees.

Co-Instructor 8/2025 – 12/2025
University of Nebraska-Lincoln *Lincoln, NE*

- Served as a co-instructor for ENSC 230 – Energy and the Environment: Economics and Policy, teaching selected topics and providing academic support to students. Responsibilities included lecturing, designing problem sets and quizzes, and holding regular office hours.

Teaching Assistant 3/2019 – 12/2019
University of São Paulo *Piracicaba, SP, Brazil*

- Served as a teaching assistant for the Introduction to Economics course, providing academic support to students in the B.Sc. in Agronomy program and lecturing on selected topics.

Teaching Assistant 3/2013 – 7/2017
Federal University of Viçosa *Viçosa, MG, Brazil*

- Served as a teaching assistant in several Economics courses, providing academic support to undergraduate and graduate students. Assisted with the Microeconomic Theory course for Master's students in Economics, as well as Mathematical Economics and Econometrics courses for undergraduate Economics students.

Scholarships, Honors and Awards

2026 - Farmers National Fellowship, University of Nebraska–Lincoln
2026 - J. B. Hassler Ph.D. Research Award, University of Nebraska–Lincoln
2026 - Robert Sather Memorial Scholarship, Renewable Fuels Foundation (RFF)
2024 - Larrick Student Travel Award, University of Nebraska–Lincoln
2021 - CAPES PrInt: Program for Institutional Internationalization, University of São Paulo, Brazil
2015 - Santander Ibero-Americanas Scholarships, Federal University of Viçosa, Brazil
